Junior guides primarily on the Sandy, but also occasionally on the Clackamas and north coast rivers. Come meet Junior at our April meeting and for more info go to <http://www.juniorsguideservice.com> We will also be electing new Chapter officers and directors.

Please join us and bring a friend (members bringing guests receive 5 free drawing tickets). See you there!

"If the salmon and steelhead are running, then as far as I am concerned, God knows that all is well with His world . . . the health of the environment is good if the salmon and steelhead are around. It is simple."
