Art Israelson has recruited the most new members for the fourth quarter of the ongoing Membership Drive. Art scored well for his efforts and walked off with a lot of gear in the fourth Membership Drive Incentive Award Drawing. We still have enough goodies for an additional one or two quarters with plenty of quality awards still up for grabs so keep recruiting. Awards yet to be drawn include 1 Clearwater River guided fishing trip complete with overnight accommodations, 1 Shimano rod & reel, ANWS Art prints, spools of Eagle Claw Lazer Line, spools of TUF Line XP, Cabela's mini multi tools and tackle gear bag, Columbia River Knife and Tool knives, Pro-Cure super gels and baitfish oils, and a Bi-Mart gift certificate. Each new membership received at the association office prior to the drawings will

be good for one chance at the awards. Recruit a new Business or Life Membership and receive 10 chances to win. Recruit 10 new members, and receive an additional 10 chances. If we can get more gear donated we may just keep this going. This incentive program is good for membership and good for rewarding your efforts too!
